Objective

As a recent B.Tech graduate in IT, my ambition is to excel in Web Development, specializing in using React.js for frontend development and the Spring Framework for backend development. Eager to apply my coding proficiency and problem-solving skills, I am motivated to collaborate with experienced professionals, continuously learn, and contribute to creating impactful web solutions. My goal is to leverage my technical abilities to develop innovative projects that benefit both my personal growth and the success of the organization.

Education

Dharmsinh Desai University, Nadiad <i>B.Tech IT</i>	September 2022 – May 2025 <i>CPI: 8.63/10</i>
